A scenic view of a coastline in Santo Antão, Azores. The foreground shows a dark, pebbly beach. The ocean is a deep blue with white-capped waves breaking along the shore. To the left, a steep, dark cliff rises from the beach, with a small building visible near its base. The sky is a clear, vibrant blue with scattered white clouds. A faint watermark "alpgehnuss.ch" is visible in the upper left portion of the image.

Ribeira das Patas

Santo Antão, Ribeira das Patas
pozzolana

The image shows a dramatic landscape of a mountain range. In the foreground, there are dark, jagged rock formations, some of which are covered in green vegetation. The middle ground is filled with steep, rocky slopes. In the background, several mountain peaks are visible, some of which are shrouded in a thick mist or fog. The overall atmosphere is serene and somewhat mysterious due to the weather conditions.

Santo Antão, Ribeira das Patas
Bordeira de Norte

A photograph of a geological outcrop showing various rock layers. At the top, there is a reddish-brown layer. Below it, a lighter, yellowish-tan layer is visible. A dark, vertical dike cuts through the lower part of the outcrop. The bottom right corner shows a reddish-brown layer. The text 'filão ígneo' is in the top left, 'dique' is in the bottom left, and 'Santo Antão, Selada de Jorge Luís' is in the center.

filão ígneo

A photograph of a geological outcrop showing various rock layers. At the top, there is a dark, greyish layer. Below it, a reddish-brown layer is visible. The bottom part of the outcrop shows a lighter, yellowish-tan layer. The text 'filão ígneo' is in the top right and 'filão ígneo' is in the bottom right. The central text 'Santo Antão, Selada de Jorge Luís' is shared with the left image.

Ribeira das Patas

An aerial photograph showing two traditional huts with steeply pitched, thatched roofs on a hillside. The huts are surrounded by a low stone wall. A person is sitting on the ground near the huts. The background is a steep, rocky hillside with sparse vegetation. A watermark 'alpgehnuss.ch' is visible in the upper left.

A wide-angle photograph of a rugged coastal landscape. In the foreground, dark, jagged volcanic rocks are scattered across a dry, brownish-yellow hillside. A small, simple concrete building with a flat roof sits on the right side of the hill. The ocean is a deep blue, with white foam from waves crashing against the rocks. In the background, a steep cliff rises from the water, topped with a cluster of buildings, including a prominent church with a tall spire. The sky is a pale, hazy blue.
