Ganda La, 4900m

A wide-angle photograph of a high-altitude mountain landscape. In the foreground, a steep, rocky slope descends from the right, covered in patches of green and brown vegetation. The middle ground features a deep valley with a snow-covered floor and steep, rocky walls. In the background, more mountain peaks are visible, some covered in snow and partially obscured by soft, white clouds. The sky is a pale blue with wispy white clouds. The overall scene conveys a sense of vastness and high elevation.

whitened tent camp

A photograph of a high-altitude mountain landscape. The sky is filled with large, white, fluffy clouds. In the foreground, there is a small, dark, conical tent on a rocky, sparsely vegetated ground. To the left of the tent, there is a yellow object, possibly a bag or a piece of equipment. In the background, there are more mountains and a valley. The overall scene is a high-altitude summer pasture.

A wide, shallow river with a milky, light-brown hue flows through a valley. The river is bordered by a mix of green trees and shrubs, some of which are planted in rows, suggesting a managed riparian zone. In the background, steep, rugged mountains with reddish-brown rock faces rise sharply. The sky is blue with scattered white clouds. The overall scene depicts a typical landscape in the Himalayan region of northern India.
