A scenic landscape photograph of the Kyzyl-Oy mountains. In the background, a prominent mountain peak is covered in snow, contrasting with the clear blue sky. The foreground and middle ground consist of rolling green hills and valleys, some with patches of darker vegetation. On the left side, the dark, silhouetted branches of a tree frame the image. The overall atmosphere is bright and clear, suggesting a sunny day.

A wide-angle landscape photograph of a mountain valley. In the foreground, a green, grassy valley floor is dotted with small rocks. A small, shallow stream flows through the center of the valley. The middle ground is dominated by steep, rocky mountainsides. The left side shows a large, light-colored scree slope. The right side features a steep, dark green slope. In the background, jagged, rocky mountain peaks rise against a bright blue sky with scattered white clouds. The lighting suggests a sunny day, with shadows cast across the slopes.
